

FCAP Website Registration

Welcome to the dedicated site for the Firefighter Cancer Administration Program. This document is intended to guide the users as they complete the required steps to register and activate their account.

Throughout this process we will assist you with the following steps:

1. Register an account
2. Verification of email address
3. Activation an account
4. Authentication of account credentials.

Register an Account

To register a new account, please navigate to the following website.

<https://www.amerisys-info.com/fcap>

To begin a new registration, please click on the **Register** menu item as shown below.

Next, indicate if you are a New Patient OR a new Human Resources Designee

Register - Create a new account

Choose if you are a:

 New Patient New HR Designee

As a new patient, you will be provided the following the form. Please provided each of the data items below. If you selected “New HR Designee”, you will be provided a similar form.

Once all information is complete, click the **Register** button
